## NEWS RELEASE

### **Cornerstone Environmental Named to Top 20 Best Firms to Work For**

Middletown, NY – 10/9/08 – Cornerstone Environmental Group, LLC has been named to the 2008 Environmental Business Journal (EBJ)/CE News' list of Best Environmental Service Firms To Work For. The environmental service firm survey conducted by ZweigWhite ranked firms based on employee satisfaction. Attributes evaluated in the survey included benefits offered such as healthcare, 401(k), profit sharing, education and training programs as well as employee recognition, internal communication and positive work environment. Additional benefits such as employee outings, barbeques and good work/life balance contribute to high employee satisfaction and retention.

Richard Peluso, Cornerstone's President stated "Receiving this recognition after just two and a half years in business is a real accomplishment and reinforces our vision of building lifetime relationships with our clients and employees. We should all be very proud of this achievement." The Top 20 winners were recognized at the 5<sup>th</sup> Annual Summit and Awards Reception/2008 Best Environmental Firms to Work For Summit held in San Francisco, California on September 18, 2008.

Cornerstone Environmental Group, LLC is an engineering and environmental consulting firm dedicated to providing services to the solid waste industry and commercial and industrial clients. The company is headquartered in Middletown, NY with offices across the United States including Bolingbrook, IL, Farmington Hills, MI and Dublin, CA and employs approximately 100 people.
