SPOTLIGHT FEATURE:

Cornerstone is excited to welcome Doug Tholo to the team!

Based in Bloomington, Minnesota, Doug will be working with our clients to provide senior management oversight to our CNG and RNG projects nationwide. Doug brings decades of expertise to our clients and our team in Turn-key project delivery including EPC, construction management, biogas to energy, project-program management, and engineering.

Doug has extensive experience in overseeing and designing 30 Landfill Gas to Energy projects (LFGE) and the turnkey delivery of 10 LFGE – ranging in size from 1.6 MW to 20 MW. Furthermore, he has worked as a client manager and project manager on multiple biogas, wastewater, and infrastructure projects throughout the United States.

We are excited to have Doug on board and to have a great ally and asset for our clients in the RNG and CNG sector.
